

KIC InnoEnergy's 100% Scholarships

[KIC InnoEnergy](#), is proud to sponsor ESADE's [MSc in Innovation and Entrepreneurship](#) candidates by offering up to 12 scholarships covering 100% of the Programme tuition fees (including the **Management Immersion Programme***) to the best candidates who are willing to pursue a career in the field of sustainable energy.

Eligibility:

These scholarships are especially aimed at talented candidates who have recently graduated in science, engineering, technology, etc. and have been admitted to the [MSc in Innovation and Entrepreneurship](#).

Application:

Applicants must send a letter to vanessa.nunez@esade.edu addressed to the KIC InnoEnergy Scholarships Committee explaining their motivation to be part of the InnoEnergy community and why they feel they deserve this scholarship.

Deadlines:

- 1st KIC InnoEnergy Scholarships Committee: **Friday, 30th March 2012**
- 2nd KIC InnoEnergy Scholarships Committee: **Thursday, 31st May 2012**

Candidates will be personally notified of the Scholarships Committee's decision within 3 weeks after the above deadlines.

* Candidates admitted to the [MSc in Innovation and Entrepreneurship](#) with no previous academic background in management must take the **Management Immersion Programme**.
