In keeping with its mission, Fundació ESADE strives to attract talented students and provide opportunities to those with outstanding academic records who want to study at ESADE but without the economic resources necessary. Consequently, ESADE offers its Talent Scholarships to finance studies in the Bachelor in Business Administration (BBA), Bachelor in Law, and the Double Degree in Business Administration in Law programmes. Fundació ESADE dedicates its own resources and funds received through donations for these scholarships.

1. REQUIREMENTS

Candidates wishing to apply for this Fundació ESADE scholarship have to:

- Have been admitted to or be currently enrolled in the Bachelor in Business Administration (BBA) programme.
- Have been admitted to or be currently enrolled in the Bachelor in Law programme (GED).
- Have been admitted to or be currently enrolled in the Double Degree in Bachelor Administration and Law programme.
- Have been admitted to one of the MSc Programmes in Management after successfully completing the ESADE Bachelor in Business Administration programme.
- Have been admitted to the Master in Law programme after successfully completing the ESADE Bachelor in Law programme.
- Accredit their economic situation and the difficulty implied for the family economy to participate in the above-mentioned programmes. Barring exceptional circumstances, scholarships will not be granted to students whose total family income exceeds €95,000 gross/year for a family of 4 individuals.
- Accredit their academic record.
- Present their scholarship application within the established deadline. Candidates must also present all the required documentation for the application to be accepted.
- Carry out a personal interview prior to the final decision on scholarship recipients.

2. REQUIRED DOCUMENTATION

1. The duly completed scholarship application.

3. In addition to individual tax returns, employed workers must also present an Income Certificate from the company for which they currently work.
4. A copy of the family’s wealth tax return. If not applicable due to not reaching the legally established limit, applicants must provide a certificate from the Tax Authority indicating that no return has been filed and a private document detailing the family’s assets, securities and real estate properties.

5. Those owning a family firm must provide copies of the balance sheets and annual accounts for the last three fiscal years for those firms in which they are shareholders or unit-holders.

6. In case of separation or divorce: a signed copy of the settlement agreement.

7. Students about to begin the first year in their respective programmes need to provide a copy of their receipt of payment for the school where they completed their baccalaureate studies. If students were granted a scholarship to study at said school, they need to provide a certificate issued by the school granting said scholarship.

To ensure that scholarships are adjudicated as fairly as possible, the Scholarship Committee may use any documentation ESADE has available on the candidates. At the same time, it may also gather any additional data it deems necessary to assess the candidates’ personal circumstances as well as to determine that those circumstances remain unchanged throughout the grant period.
