

## Help science = Make decisions + Learn about yourself + Earn money

The **Decision Lab** at **ESADE** is a research facility designed to conduct cutting-edge studies on human behavior in a broad range of topics such as behavioral economics and finance, analytics, consumer and organizational behavior, decision-making, public policy and social action.

### What will I do as a participant?

- ✓ You will get paid for contributing to make science happen
- ✓ Give your opinion or preferences
- ✓ Answer simple questionnaires or perform computer role-playing games or daily tasks in simulated scenarios
- ✓ Interact in pairs or groups to discuss topics, play games or work on tasks

### How can I participate?

- ✓ Register in our participation system at <https://esadedecisionlab.sona-systems.com/> and create an account
- ✓ Sign up to participate in our available studies
