Kids program

1. Friday:
the restaurant we booked (Mama Rosa) is in a walking zone and there is plenty of room for kids to run around without any danger.
2. Saturday:
the restaurant in Gava is right at the beach and there is also plenty of ground for kids to play.
3. Saturday night:
As only three families requested activities for kids, we are looking to find a babysitter or two. More to follow. Please contact me if you need your kids to be looked after Saturday night.
