By Car
The ESADE campus is located close to the AP-7 motorway and it can
be reached from Barcelona following the:
E-15/AP-7 (North of Barcelona). Exit 22. Follow Sant Cugat sign.
Vallvidrera Tunnels. Exit 10 (Sant Cugat-Valldoreix).
Arrabassada Route. Alternative route from Gracia area
(20 minutes).
2. Sant Cugat station
   Campus ESADE

• Walking. 15’ walk.
   As you come out of the station walk straight ahead on Angel Guimerà street, walk as far as Rambla de Ribatallada (4th street on your left) and take a left. This street becomes Avinguda Pla del Vinyet, and if you keep walking straight ahead until you reach a roundabout at Plaça de Gabriel Ferrater, and take the turning on your right on Avinguda de la Torre Blanca, you’ll see ESADE right in front of you.

• Bicycle. 5’ ride.

• Sant Cugat Buses. The Council of Sant Cugat provides public transport service by way of buses running to and from the FGC station and ESADE. The following buses pass by or very near ESADE: Buses L1, L2 and L8. It is a 10 minute ride with a frequency of approximately 15 minutes between each bus irrespective of the bus line (L1, L2 or L8).

   Always ask the driver if he/she is going to ESADE or the cinema (next to ESADE entrance), as buses take alternative routes at certain times.

### About Sant Cugat

Sant Cugat del Vallès is a young and modern town located only a few kilometres away from Barcelona. As a green, innovative city, it strives to further develop its model of social, economic and environmental sustainability. Located at the foot of the Collserola mountain range, Sant Cugat is a hub of the Catalan economy – a place to live, work, study and play.

With a population of more than 80,000 people, Sant Cugat is one of Catalonia’s youngest and most highly educated cities. It is home to children, artists, university campuses, research institutes, companies and multinational firms. It is also a diverse and welcoming community with a rich network of associations.

### About Campus ESADE Barcelona-Sant Cugat

The ESADE campus incorporates original elements which make it unlike any other academic campus in Spain and Europe. The project consists of 19,800 m² dedicated to the university classrooms and administrative buildings, with an additional 26,800 m², dedicated to housing companies, businesses and the Full Time MBA programme.
