POST-DOC POSITION AT ESADE BUSINESS SCHOOL

Job Title: Postdoctoral Fellowship in Sustainability Management

Date Posted: 01/10/2010
Application Deadline: 30/1/2011
Expected starting date: As soon as possible

ESADE Business School Universitat Ramon LLull
Institute for Social Innovation

Invites applications for a Postdoctoral Fellowship in the area of Sustainability Management

Candidates –men or women- must hold a recent Ph.D. and an expertise in the fields of corporate sustainability strategy, organizational change management towards environmental sustainability or green entrepreneurship. While the successful candidate will bring an emerging research record about environmental sustainability strategy in business, she/he would ideally be conversant with issues in the policy arenas and the social implications of sustainability (such as corporate social responsibility). An understanding of the inter-connectedness of the for-profit, nonprofit, and public sectors will also be welcome.

Candidates should have a proven ability to work with colleagues from other disciplines and a proven track record of publications (or in-progress publications).

English is required, and Spanish will be a plus.

The successful candidate is expected to conduct his research in the field, and write papers to be published in the most prestigious international journals. He/she will also participate, if needed, in some of the ESADE’s Institute for Social Innovation projects of this area. Although the successful candidate is not expected to teach a full course, he/she will participate in a few teaching sessions in the PhD seminar, Master of Research or MBA courses.

The post will be offered on a fixed-term contract for a period of 1 year, renewable one more year, subject to performance.

Starting gross salary will be around 30.000 euros per annum, depending upon relevant qualifications, experience and past performance.

Completed application should include:
(1) Curriculum vitae, including the list of publications.
(2) Synopsis of the applicant’s Ph.D. thesis, (if needed, the applicant should be prepared to send a copy of the thesis),
(3) Proposed plan of Post-doctoral work at the ESADE’s Institute for Social Innovation.
(4) One ‘Writing Sample’ which could be an article or a scholarly paper published/presented in academic journals/conferences or extracts from the applicant’s past academic work.
(5) Two recommendations, of which one could be from the applicant’s dissertation supervisor.
