

THE ESADE MASTERS IN MANAGEMENT (MSc)

Application Form for Talent Scholarships Intake of 2018

GENERAL INFORMATION – ESADE MERIT AND TALENT SCHOLARSHIPS

All candidates are eligible to apply for financial aid to assist with their educational expenses. In order to ensure that financial aid from ESADE is available, we encourage candidates to begin the Scholarship Application submission when they apply for Admission.

Our suggestion is to send the Scholarship Application Form during the admission process, therefore all the supporting documents requested by the Admissions Committee (GMAT/GRE, TOEFL, Transcripts, Admissions Essays, etc.) as to be evaluated by the Scholarship Committee candidates should have submitted all the documentation required.

Each candidate may only apply to one scholarship and will hear from the Scholarship Committee once the resolution of the Admission Committee is communicated.

ELIGIBILITY AND REQUESTED DOCUMENTATION

Its eligibility is always based on talent and merit, which involves excellent academic performance as well as the impact during the admission process. It will also be taken into account the diversity of the candidate profile (nationality, field of study, international exposure and career).

In order to support the academic excellence, the candidate can include a maximum of two supporting documents (different from the Admission documentation) that would like the Scholarship Committee to review. They can be recognitions in academic, professional areas and other awards that will enhance the application.
