

Business Law

UGRA_002274

Departments	Department of Law
Language	English, Spanish, Catalan
ECTS	6
Lead faculty	Adell Martínez, Jordi - jordi.adell1@esade.edu

Course objectives

Upon successfully completing this course, students will have acquired the essential skills and competencies needed to make legal decisions related to business activity, developing the basic criteria to understand and assess the advice and actions of legal professionals.

Prior knowledge

No prior legal knowledge is required to be able to enroll in and complete this course.

Prerequisites

No prior legal knowledge is required to enroll in and appropriately understand the content of this course.

Methodology

The course alternates lecture sessions in which faculty discuss the legal concepts included in the syllabus with practical sessions in which students work in teams to resolve simulated situations, applying the concepts they learned in the lectures.

Description

Brief description

This course familiarizes students with the necessary legal structure and limits to bear in mind when launching or undertaking any economic business activity.

Bibliography

- Adell Martínez, Jordi. *Manual de derecho mercantil para la dirección empresarial*. Wolters Kluwer, 2021 (Book)
- Muñoz Pérez, Ana F. et al. *Handbook of Spanish Business Law*. Ed. Tecnos 2018 (for English-speaking sections) (Book)
- Sánchez Calero, Fernando. *Principios de Derecho Mercantil*. Thomson Aranzadi. (Book)

Activities

- Tests
- Students can take tests to follow up on their own progress and carry out a more in-depth study of concepts seen in class.

Case studies

4 practical sessions in which students will learn how to apply the theory explained in lecture classes to simulated cases.
