CIM: TOEFL Preparation

UGRA_001120

Departments	ELC - English Section
Teaching Languages	English
ECTS	2
Teacher responsible	Lydia Frances Muriel Pollock - lydia.pollock@esade.edu

Course Goals

The objective of TOEFL Preparation is to help students become familiar with the design, demands and test-taking techniques in the exam and to provide focussed practice and feedback in each of the 4 skills so as to do as well as possible when sitting the exam.

Prerequisits

This course is for all students from first, second, and third year who wish to prepare for the international language certificate TOEFL ibt.

Teaching methodology

Classes are conducted in English throughout, and demand full participation and commitment on the part of the individual student and of the group. Effective TOEFL preparation also depends on extensive individual work outside class. There will be frequent corrective feedback provided by the teacher.
