

Consulting Soft Skills and Project Delivery

UGRA_016146

Departments	Department of Strategy & General Management
Teaching Languages	English
ECTS	4
Teacher responsible	Oscar-Jan Batista Zazurca - oscar.batista@esade.edu

Course Goals

The purpose of this course is dual-fold. Firstly, students will acquire essential soft skills that are crucial for success in the field of consulting. These encompass proficiency in structured slide writing and engaging storytelling techniques, effective communication and negotiation skills, adept project prioritization and planning competencies, and the ability to boost networking and trust with clients and key stakeholders. Secondly, students will be provided with an opportunity to apply the knowledge and concepts acquired throughout their minor subjects by both simulating and developing a consulting project.

Previous knowledge

Strategic Consulting Mindset and Business Consulting Toolkit are highly recommended.

Teaching methodology

Course methodology includes:

- Soft skills training
- Real experiences
- Group presentations
- Consulting project competition
