We inform you that Fundación Esade, with registered address at Avenida de Pedralbes 60–62, Barcelona 08034, as data controller, will process your personal data within the framework of the Esade Career Impact Program for the purpose of assessing the suitability of the candidate and carrying out a selection process with a view to their possible admission to the Esade Career Impact Program, as well as ensuring that the candidate meets the requirements throughout the entire period during which the financial aid applies.

Basic information regarding the processing of your personal data:

- *Controller: Fundación Esade*
- *Data processed: The data provided through the application form and, where applicable, any data generated during the evaluation, selection, financial aid, and participation process in the program.*
- *Purposes of processing and legal bases:*
    - *To evaluate your application and manage the program's selection process, including verifying the participation requirements and communicating results.*
      Legal basis: the adoption of pre-contractual measures at the request of the data subject and, where applicable, the performance of the legal relationship arising from participation in the program.
    - *To verify that the candidate meets the requirements throughout the entire period of the financial aid.*
      Legal basis: performance of the legal relationship and compliance with applicable legal obligations.
    - *To send informational and commercial communications from Fundación Esade regarding other content and services, including: training and courses (undergraduate, postgraduate, executive education), events and conferences, publications and newsletters, alumni activities, competitions, and related services. The sending of informational and commercial communications from Fundación Esade will only take place if the candidate expressly grants consent in this Application form, which may be withdrawn at any time. Legal basis: consent of the data subject.*
- *Recipients: The teams and individuals involved in evaluating and managing the program may access your data, as well as, where applicable, third parties that provide services to Esade (e.g., technological support, communications, and event organization) with whom Esade has signed data processing agreements as required by regulations.*
- *Data subjects' rights: You may exercise your rights of access, rectification, and erasure of your data, as well as request restriction of processing, object to processing, request the portability of your data, not be subject to automated individual decision-making where applicable, and withdraw your consent at any time without affecting the lawfulness of processing based on consent prior to its withdrawal, by contacting the Data Protection Officer at: dpo@esade.edu.*

Data retention. Data will be retained while the application is being managed and, where applicable, for the duration of your participation in the program and for the necessary periods to comply with legal obligations or address potential liabilities. For purposes based on your consent, data will be retained until such consent is withdrawn.
